

Dear Editor:

Gang-cesspools were deemed illegal by the Federal Government in 1999. The County of Hawaii was given a deadline of 2005 to come into compliance with Federal law. They have not done so.

If I paid my sewer bill I would be in complicity with the lawbreakers, Hawaii County. By not paying my sewer bill I am on the side of the law.

Hawaii County is on the wrong side of the law. That is why they are under a Federal Administrative Order of Consent. They are doing me harm by sending me a sewer bill for their gang-cesspool. And they are doing me harm by taking me to court for not paying it.
