Testimony I request be read at the upcoming meeting, please.

V.3. Discussion on preparations to apply for the U.S. Environmental Protection Agency's Solid Waste Infrastructure for Recycling Grant Program. Advice to DEM on priorities for grant proposals.

Malama our future.
Malama the future generations.
Malama our precious Earth.

Please prioritize the maximization of environmental protection of all sorts, and most especially embrace this opportunity to resume and advance recycling on our island. The tenuous future is in our hands.

Mahalo Nui,
