**Subject:** Testimony for agenda item 5.1 Bill 83  
**Date:** Tuesday, October 21, 2025 10:19:16 AM

---

Hi, my name is Claire Ewing and I am a high school student at Hawaii Academy of Arts and Sciences, (HAAS), I am sending you this message in the support of passing Bill 83. I believe that this Bill would be a great improvement within our community. Seeing these sudden changes around us would encourage students to be more observant of taking care of our 'āina for the present and the future generations to come.

Thank you,

Claire Ewing
