RE: Lono Kona Sewer Improvements Project
Job No. WW-4452R
North Kona, Hawaii
Construction Start Up

This is a notification that on March 18, 2019, Nan Inc. will start work on Kalani Street for Lono Kona Sewer Improvements Project. We will have a crew start at the top of Kalani Street, near Salvation Army and work in the makai direction towards Alahou Street.

To help make the project as painless as possible, we kindly ask for your cooperation in removing all vehicles and obstructions in the shoulder area along Kalani Street. Please note any abandoned vehicles or obstructions left in county right of way may be towed away to make room for the construction of the sewer improvements.

We humbly ask for your patience as we progress through the project.

Should you have any questions, please feel free to contact me at (808) 348-8703.

Sincerely,
Nan Incorporated

Scot Oshiro
Project Manager
